

## Recent Operations

By Paul Rardin

I wonder if the merchants in Pahokee are about convinced that they need a chamber of commerce. A few years back one was organized (for the umpteenth time) with George Mead as president. No man ever worked harder at a job than George did—but, did he get any co-operation? From the get-go he failed. He had a little help but many who should take part in such work refused to attend meetings.

I wonder if it's going to take another string of empty buildings in Pahokee to make the merchants and business men realize that a town doesn't stand still. It either goes forward or backward. And if you use your own guessing apparatus to tell whether Pahokee has gone forward or backward in the last couple of years.

**LETHARGY!** That's what is wrong with a majority of those fellows in Pahokee who stand by and bemoan the fact that neighboring towns are outgrowing Pahokee. What more could you expect from a group of fellows who have no more interest in civic affairs than do those fellows who do the moaning?

Pahokee will never find its rightful place in the sun until the men who make up the town realize that there's something else to a community besides "getting rich quick."

Ross Bleech and Mike Sanders, Pahokee high school seniors, became members of the Pahokee Rotary club at yesterday's meeting. They will attend regularly all meetings between now and the close of school next spring. The club has a list of those who are to represent the school in the Rotary club. Mike and Ross will alternate their attendance this term.

T. C. Dickie, Richardson, became a member of the Pahokee Rotary club yesterday. He was voted into membership several weeks ago and attended his first meeting yesterday. Dickie is well known for his ardent civic work and his name on the Rotary roster will add on more luster to the list of those who stand ready at all times to assist in movements for the betterment of the community.

I had occasion to be in Tampa over the week end on business. On Monday when I returned via Washington, I was told that the population of Pahokee had been transplanted to that thriving Florida town. I was told that the first I found there was a hurricane headed for the Lake Okechobee region. Therefore, the folks in that town were looking for higher ground.

An announcement comes from Cleveland that on November 2, Cleveland train will be added to the Atlantic Coast Line train running into Cleveland each morning and returning that night via Hialeah City to Jacksonville. The train arrives in Cleveland each morning at 9 o'clock and returns each afternoon at 6 p.m.

John Harrington, chairman of the club service committee, Rotary club, was in charge of the program yesterday at the club. With him were Wm. O. Hill, Joe Doe, and Paul Rardin are other members of the committee and assisted Mr. Harrington with the program was a "W. O. Hill" hour furnished an amusing half hour for the members present.

## Pahokee Girl To Fort Benning

Miss Mae Arrington, daughter of Mr. and Mrs. C. W. Arrington, former residents of Pahokee, now living in Okechobee, left recently for Fort Benning, Ga. She graduated from Pahokee high school in Miami last winter and with eighteen other Miami natives is being sent to army camps throughout the southern states. Miss Arrington was graduated from Pahokee high school.

Jack Spratt, former employee of the Bolton Drug store and now a member of the U.S. Navy, was in Pahokee this week. Jack is stationed at Opa Locks and reports life in the navy as agreeing with him. Before returning to his base Jack was in the few days in Lakeland with friends.

## Hurricane Passes Lake Section And Folks Are Grateful

Business Back To Normal; Crops Suffer But Little Damage

What's that you missed us! That's the way thousands of people in the Lake Okechobee farming region felt Monday afternoon when the hurricane failed to show up in these parts. There was plenty of strong wind—but no rain and a great deal of fearful walling.

All day Sunday radio reports kept the community posted on the path of the storm and after supper Sunday evening the exodus started. When the reports sounded like the storm was headed straight for the south shore of Lake Okechobee folks cranked up their cars and headed for other parts. Hundreds of automobiles left the Lake Region towns—and didn't return until Monday afternoon when all signs of the storm had passed.

Growing crops in this section suffered some from the high winds but farmers were thankful that the hurricane was a "dry" one instead of the usual brand. Hurricanes of this kind—even those that didn't come close to this section—have always caused heavy rainfall.

Things around the lake were as usual as far as business was concerned on Monday. However, late in the afternoon business houses started to take down the storm shutters and Tuesday morning—with a bright sun shining and business going on as usual.

**SOUTH BAY**—The Lake Okechobee region during the hurricane warning period promptly and efficiently organized for the hurricane. There was every possible precaution taken for the preservation of life and property.

**CAVENDISH**—The Cleveland area came out practically unscathed in the recent storm scare, although government engineer's records show it to have had the highest wind velocity in the Everglades section with gusts of 44 miles an hour Monday morning. The center of the storm was south of here but with an average maximum of 44 miles an hour. Lowest barometer reading was 29.38 inches.

**SOUTH BAY**—The south end of the Lake Okechobee farming region was visited by high winds Monday morning reaching a velocity of 44 miles per hour. Wind breaks, sugar cane and growing crops were broken and many trees were nearly ready to pick were severely damaged. Scarcely any rain. The gale wind on the south end of the lake was the most the proportions of a dust storm as the dry mud was whipped into the air. The wind on the north end, which had after the wind died down, practically the appearance of having been beaten by hail.

## Lion Workers Are Honored

Past President Broynning Roach of the Pahokee Lions club presented President Frank Rozelle with a plaque and trophy. With him were Wm. O. Hill, Joe Doe, and Paul Rardin are other members of the committee and assisted Mr. Harrington with the program was a "W. O. Hill" hour furnished an amusing half hour for the members present.

## P-T-A. Group Will Meet Monday

The Canal Point Parent Teacher Association will meet Monday evening at the school auditorium at 7:30. The future program will be presented at the business meeting. Fred Barnhill, chairman of the program committee, will preside. The speaker will be Miss E. J. Gaskins, manager of the Pahokee Migratory Labor camp. Mr. Gaskins will also be the guest speaker. He will discuss "Child Delinquency." A film on "Defense" will be shown as part of the program. All parents are urged to attend this meeting to hear Mr. O'Connell, who is the most important in this section of the country. Refreshments will be served by the refreshment committee in the school lunchroom.

## WILL CONDUCT PAHOKEE REVIVAL

Dr. W. D. Nowlin, of Arcadia, will conduct revival services at the Pahokee Baptist church beginning on Sunday, October 12, and closing on Sunday, October 26, according to an announcement made this week by Rev. C. A. Mohr, pastor of the church. Dr. Nowlin is well and favorably known in this section since he has preached at the Canal Point and Pahokee churches during the past few months. Song services during the revival will be under the direction of the pastor, Rev. Mohr. The song program will start each evening at 7:30 and officials of the church extend a cordial invitation to the citizens of this community to hear Dr. Nowlin.

## Observe Rally Day At Church

The Pahokee Methodist church school observed rally day this morning with Mrs. J. E. Statham in charge of the program. These taking part on the program were Mrs. Earl Meredith, superintendent of the Beginner's department; Mrs. W. L. Kerr, superintendent of the Primary department; Mrs. J. M. Elliott, superintendent of the Junior department; Howell Warr, David Ramsey, Joy Padgett, Gregory Statham, and Frank Rozelle, Jr. Junior class members; League, and Louis Boyd, of the Senior League. The program was presented by each person attending.

## Utilities Halted From Expansion By Recent OPM Order

**Fast Growing Lake Region Will Be Hard Hit By Order**

In an order handed down by Donald M. Nelson, OPM director of priorities in Washington, water, electric and gas companies will not be permitted to install new lines to new territories until further notice.

## Dania Plays Blue Devils Here Tonight

What is reported to be the strongest team in the state tonight to battle with Coach Frank Hobson's Blue Devils tonight under the lights on Laid field. The Dania aggregation will bring along a big team.

Coach Hobson was none too optimistic about his team in the game which he said the Dania outfit has the best coaching staff it has ever had. There is a possibility that the local boys may taste defeat at the hands of the visitors in this evening's affair.

Pahokee, one of the regular Blue Devil performers, was ruled ineligible this week by the secretary of the state athletic association. Some minor technicalities about this being his fifth year in school brought about his suspension from the team.

## Miss Dulany In College Glee Club

Miss Gloria John Dulany of Pahokee has been selected to sing in the first ensemble of the Florida State College for Women glee club. She sings second soprano. Thirty-two cities are represented in the first ensemble which is the group used most frequently at the college and also, when they are from time to time at the Tallahassee theatres and in Florida cities. The first ensemble includes 38 voices and is directed by Miss Etta Robertson.

## Peacock Going Good At Rolling

The Palm Beach Post carried an interesting item Wednesday morning about a Peacock, former Pahokee high school football star. The item is reprinted here:

"Calvin Peacock, Pahokee high graduate who is a freshman at Rollins College, is making a good start on the Baby Tera eleven, according to word received here."

"He ran 102 yards for a touchdown in a freshman-varsity game last Saturday and was described as one of the outstanding prospects of the yearling crop at the Winter Park school."

## Palm Beach County Is Second High In Aluminum Drive

Charlotte County First In Number of Pounds Per Capita

TALLAHASSEE, Oct. 9.—Florida households donated to the government aluminum drive more than 25 lighter planes during the Aluminum Recovery Drive, it was announced here today by the state committee chairman, Dr. Fritz Stein, state director of the State Defense Council of Florida. With returns from the State's sixty-seven counties nearly all in the estimated collection total of pots and pans amounted to 152,295 pounds, or 294 pounds per occupied dwelling. Experts estimated this would yield 100 pounds of aluminum for defense production. The difference between these two figures represents other metals, primarily iron and steel which were attached to the aluminum articles.

Highest contributor per capita was Charlotte County with 307 pounds. Second highest per capita was reported by Palm Beach County with 192 pounds, and Glades county was third with 153 pounds per capita. Besides yielding enough aluminum to materialize an emergency shortage of the metal at smelters, the campaign has taught valuable lessons for the guidance of defense officials in planning for the salvaging of other scrap and waste metals.

## A Prayer For This Time Of Crisis

O GOD, the Creator and Father of all men, we lift up our prayers to Thee for the nations of the world at this time. Overrule by Thy Almighty power the forces of tyranny and aggression and uphold, we beseech Thee, those who are struggling for the maintenance of justice and human liberty.

Give to all of us wisdom and strength to do our part in this day of world crisis. Grant that our country may now have vision to see and courage to do whatever is right, and that peace with righteousness and justice may be established for the sake of all mankind.

And we ask Thy divine compassion upon the suffering, the sorrowing, and the dying in all lands, and upon all the homeless refugees driven forth by cruelty and oppression.

Hear us, Almighty Father, in this day of need, and give us Thy help and guidance, through Christ, Thy Son, our Lord.

Amen.

## Society Names Group Chairmen

The Women's Missionary Society of Belle Glade met Tuesday afternoon at the church with Mrs. T. Ingram, newly elected president, presiding. Mrs. John Kirk was elected second vice president to fill the vacancy of Mrs. James Darden who is unable to serve.

The president appointed the following committee: chairman, Mrs. George Tedder, organists: Mrs. L. L. Cunningham, Margaret fund; Mrs. Fritz Stein, white cross; Mrs. George Tedder, orphan's home; Mrs. Luther Jones, literature study; Mrs. Francis Harris, literature and library; Mrs. G. I. Evans, stewardship; Mrs. George Williams, social; Mrs. J. W. Ransley, publicity.

## More Scrap Is Still Available

Now that the aluminum drive has gone on for the twelfth month, how about an all-metal drive, localized in Washington. It will yield a large tonnage of: brass, half tin, broken pipe, heads, screw-lids, iron pants, crackerpots, dumbbells, hammer-handles, wire pulpers, dead trunks and other household junk.

## Beans Will Roll In Couple Weeks

In another two weeks beans will begin to roll in large quantities from the Lake farming area. There will be some beans harvested every day from now on but only small quantities, it was stated yesterday afternoon by one of the packing house operators.

Brandon Brokerage company in Canal Point picked the first lots of beans last week and some sold for \$2.25.

The W. G. Hull organization picked some beans yesterday but those were not sold locally. They were shipped to New York.

The P. M. Cate company has already shipped some to New York and will continue to make shipments that they sold for \$2.00 on that end.

## Lee Rawls Named Conservation Agent

Lee Rawls of Pahokee, former police chief and former county road patrolman, went to work the first of the month as an agent for the U. S. Fish and Wildlife Service, Conservation department, headed by S. E. Rice of Apalachicola. Mr. Rawls will work in the Everglades territory and all counties adjoining Lake Okechobee. Among his duties will be the collection of license on commercial fishing boats. Other duties assigned to him by the department include inspection of boats used by commercial fishermen.

His appointment by the conservation department could have chosen a man in this section who has the job better than Mr. Rawls. He is an avowed sportsman and knows every nook and cranny of Lake Okechobee, the rivers and canals flowing in and out of it. His appointment by the conservation department will meet with the approval of sportsmen and commercial fishermen in this section of Florida.

## Nocatee-Manatee Materials Ready

"We're ready for the season," said Ben Waring yesterday when commenting on recent shipments of crate material to the Lake Region warehouses of the Nocatee Pine and Crate Company. The company, which has been operating in this area has large mills at Nocatee, Fla., and Manatee, Fla., and is one of the largest crate manufacturers in the South. The houses are maintained by Mr. Waring and his company at Canal Point and Lake Harbor in the region where the Nocatee and Manatee rivers are so reluctant to take the dumps out of the canals.

The Seaboard Airline Railroad has installed "yards" at Indian Point. Indian Point is about midway on the Seaboard's cross state line and the yards will form the division headquarters.

Dr. D. S. Spooner, Hub Brothers, C. L. Wilder and other truckers of the Pahokee area have obtained the use of Land Company of Florida land on the southeast side of the land canal of Port Mayaca. The land has been cleared and plowed and some planting of vegetables has begun.

## Dania, First Squad To Play Pahokee, Is Opposition Tonight

Stars of Former Years Will See 1941 Blue Devils Play

The football team representing Dania high school, the first football team ever to play Pahokee high—will appear on Laid Field tonight as opposition for the Blue Devils. It will be the third start of the season for the local aggregation. They were defeated by Stuart two weeks ago and won over Delray last Friday night by a score of 25 to 0.

It was back in 1930 that a football team was formed by the 1931 Fraser, Head Linesman, H. B. Miller, Field Judge, L. H. Stuckey and Timekeeper, Johnny Fourmy.

The Pahokee team this year was made up of the following players: Joe Parker, Leon Spooner, Dan Padgett, Louis Gold, Otis Vinson, L. W. Wilder, T. A. Bass, George Thompson and Jack Winn. Several of these boys will be in the grandstand tonight when Pahokee plays Dania at 7:30 o'clock.

Records taken from the files of The Everglades News show that in 1930, Dania and Pahokee were the stars of the game. Each of them made a touchdown. Louis Gold at quarterback handled the team brilliantly in record days.

## EXECUTIVE BOARD TO MEET MONDAY P. M.

The Executive Board of the Women's Christian Service Society of the Pahokee Methodist church will meet Monday afternoon at the church at 2:30 o'clock. This meeting will be followed by a joint meeting of the church circles at 3:30 p.m. at which time Mrs. Elliott will be in charge of the program. Mrs. Elliott is the social welfare chairman.

## B P W C Meeting Held Tuesday

Inspired by the club theme, "Strengthening Democracy for Defense," Mrs. Genevieve Pynchon, vice president of the Fort Lauderdale branch, and Mrs. Mary E. Pynchon, president of the local B P W C meeting, held a meeting Tuesday night at the home of Miss Ruth Pynchon.

The program, a closed business session, was presided over by Nell Scullen presiding. Mrs. W. L. Morgan, chairman of the membership committee, presented the following business which was accepted for members: Miss Jackie Collier, Mrs. J. Darden, Mrs. Helen Moller, Mrs. C. W. Waring, Mrs. Catherine Ashley, Mrs. Marie Daugherty, Mrs. Valera Rickard, Mrs. Lola Miller, Mrs. Mary Waring, Mrs. J. A. Creech, Mrs. Phara Cook, and Mrs. Ida Ann Farrow.

# AT THE THEATRE

A charming photographic study of Ginger Rogers, currently starring "Tom, Dick and Harry" Sunday and Monday, Oct. 12-13 at the Everglades Theatre, and Tuesday, Oct. 14, at the Prince Theatre.

## COMIC COMPLICATIONS IN GINGER'S NEW FILM

Many girls might be content with becoming engaged to one or maybe two young men, but when a romantically inclined young lady deliberately gets engaged to three charming males simultaneously there are apt to be comic complications.

Around this novel situation is woven RKO Radio's sparkling comedy romance, "Tom, Dick and Harry," with Ginger Rogers as earning the dollar role. Three of Hollywood's most popular leading men are cast as Ginger's boy friends: George Murphy, Alan Marshall and Burgess Meredith. "Tom, Dick and Harry" is Miss Rogers' first film since achieving the famous Academy Award for her brilliant work in "Kitty Foyle."

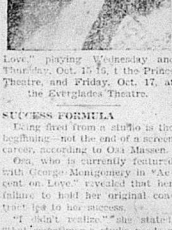

Brenda Marshall and Alan Marshall.

ready star in Warner's exciting "Highway West," playing Wednesday and Thursday, Oct. 15-16, at the Everglades Theatre, and Friday, Oct. 17, at the Prince Theatre.

**THRILLING CRIME DRAMA**  
"Highway West" is a thrilling new adventure film. Brenda Marshall, lovely brunette heroine of "The Sea Hawk" and "Footlight In The Dark," appears opposite Arthur Kennedy, popular new lead in "Man."

Following the screaming brakes and whirlwind pace of the emotional western "Highway West," the new film is calculated to thrill the most hardened action fan. The story deals with a human crime that sends one man to prison, his wife, Alice, a victim of a driving bull, and he is sentenced to prison for the crime. He escapes and returns to his wife. In a spine-tingling climax, he is eliminated, leaving the girl and her sweet heart to begin new lives together.

The talented supporting cast includes Olympia Branch, William Lundigan and Slim Sumner. William McGann directed, and Charles Keaton, Alan Franklin and Kenneth Gamet wrote the screen play, from a play by Leon Abramo and George Abbott.

Love, playing Wednesday and Thursday, Oct. 15-16, at the Prince Theatre, and Friday, Oct. 17, at the Everglades Theatre.

## STEVENS FORMULA

Using freed from a studio is the beginning—the end of a screen career, according to Ott Mason, who is currently featured with George Montgomery in "Accent On Love," revealed that her failure to hold her original contract led to her success.

"I didn't realize," she stated, "that something a studio could do to hold a player, and only."

times it doesn't. Until one's particular talents fit the need of a producer, there's not much doing. But once you get a spot, your career has really begun."

**TALLAHASSEE, Oct. 9.**—"The Americans are coming" is the answer to the plea of the British Civilian Technical Corps for trained workers to get the Empire in line in any emergency.

Boyer, A. Williams, Chairman of the Florida Industrial Commission, stated the Employment Service had received a storm of applications from both men and women in every walk of life offering their services in any emergency.

These applications ranged from a retired boxer to a priest of the Episcopal church, and a number were from native born Englishmen who have spent the greater part of their lives in America.

A native Florida cracker, 65 years old expressed a willingness to go anywhere he could be of service and professed his application with the statement that he was "still a good shot with a gun as were most Florida crackers."

Another Florida, nominated to stay on the job till "Hell freezes over or the Nazis are defeated."

A former British subject who lost a leg in the last World War offered the services of himself and 23 year old son, "a fine sturdy lad who was rejected under the Selective Service Act because he was a Canadian by birth."

### Navy Needs Men; Join In Miami

Guy F. Hull, Chief Carpenter's Mate, Navy Recruiting Officer for this area with headquarters in room 231, post office building, Miami, wants 500 men for enlistment in the U. S. Navy or Naval Reserve. Men are enlisted in the U. S. Navy from 17 to 31 and in the Naval Reserve from 17 to 50. Enlistments in the U. S. Navy are for six years, if over 18, and until 21st birthday if under 18. Men are enlisted in the Naval Reserve for the duration of the Emergency. Men enlisted in the naval reserve must pass a physical examination and must have 18 sound teeth, two of which must be opposing molars. Men can be enlisted in Class V-6 of the naval reserve

as specialist in whatever technical branch they can qualify for in pay grades ranging from \$60.00 to \$99.00. Men enlisted in pay grades of \$72.00 or better are entitled to \$34.50 allowance per month for their wives.

All men interested should write or apply in person at the Navy Recruiting Station, Room 231, Post Office Building, Miami. Office hours are 8:30 A.M. to 4:30 P.M. daily.

The Florida Canneries Association will hold its tenth annual convention in Tampa, Friday, October 17. Following a daytime program of business sessions, the meeting will close with a brilliant banquet and entertainment program that evening.

### U.S.S.C. Employees To Give Program

A group of colored employees of the United States Sugar Corporation at Azucar have formed a dramatic club and will present their first effort in the form of a vaudeville to be given Monday night in the auditorium at Azucar. This organization is self supporting and all receipts will be used to present other shows throughout the winter if this production is favorably received.

The show will feature an all colored cast in twelve acts under the direction of Richard Gordian. One and one-half hours of good entertainment will be well worth the admission price of 10 cents for children and 25 cents for adults. The show will start at 8:15 and places will be reserved for white patrons.

### Canal Point Boys In Navy Training

NORFOLK, Va., Oct. 9.—Two Canal Point youths were among the apprentice seamen at the Norfolk Naval Training Station who qualified to study at Navy Service schools.

Donald Ogle and Phillip Maxson will enter the Aviation Machinists' School at Jacksonville, Florida. They will be given sixteen weeks of intensive instruction which will prepare them for special service in the Navy. This training will provide them with a trade, if they ever desire to return to civilian life.

### Bridges Will Head New Parole Board

TALLAHASSEE, Fla., Oct. 9.—Francis R. Bridges, Jr., was elected chairman of the state's new non-partisan parole and probation commission at an organization meeting here Tuesday.

Joseph Y. Cheney of Tampa was named secretary. The commission met with Governor Holland and the other members of Florida's constitutional state pardon board for a discussion of procedure and jurisdiction.

The state parole board retains supervision of pardons.

### Make Repairs On Methodist Church

Repairs costing \$1,500 or more are being made on the Pahokee Methodist church by a crew of workmen. The building was constructed only six years ago but because of insufficient ventilation around the piling foundation dry rot set in which now necessitates placing new sills, joists and flooring in the building. The structure is one of the most beautiful in this community and it is hoped that with these repairs it will give service for many years.

### Complete Plans For Outing

Plans were completed for an all day picnic and outing at Jensen's next Tuesday by the Women's Society of Christian Service at their meeting Tuesday afternoon at the home of Mrs. Earl Maxson in Canal Point. Mrs. George Kingsley, president, presided and announced that a WSCS district meeting will be held in West Palm Beach Oct.

tober 17. She urged that all local members of the society attend. Mrs. W. P. Jernigan was in charge of the devotionals and also presented a program on "Wipe Out Give All."

Mrs. J. P. Parker, co-hostess, assisted Mrs. Maxson in serving refreshments to Mrs. Pope Sears, Mrs. F. W. Cross, Mrs. Grady Boynton, Mrs. Donald Kopp, Mrs. Stevens, Mrs. M. O. Slawson, Mrs. Montgomery, Mrs. Roy Bryant, Mrs. Ralph Mock, Mrs. George Kingsley, Mrs. P. M. Wilson, Mrs. W. W. Smith, Mrs. J. S. Harrington, Mrs. M. L. Adams, Mrs. Luke Fraser, Mrs. H. H. Sears, and Mrs. W. P. Jernigan.

### Pullman Service For Clewiston

CLEWISTON, Oct. 9.—Clarence R. Biting, President of the U. S. Sugar Corporation, said today that the Atlantic Coast Line Railroad has agreed to supply new Pullman service direct to the heart of the Everglades. The schedule calls

for daily sleeper service comprising an eight section, Brother Buffet, and Lounge Compartment Combination Pullman operating between Jacksonville and Clewiston.

The first south bound trip will leave Jacksonville at 10:30 p.m., November 2nd, arriving Clewiston at 9 o'clock next morning; the first north-bound train will leave Clewiston 6:00 p.m., November 2-3, arriving in Jacksonville at 6:45 the following morning; thereafter, daily service will be available in both directions. The schedule permits connections at Jacksonville with all fast trains serving the East, North, and West.

Boothbacks and caddies are entitled to workmen's compensation, according to a recent ruling of the Attorney General. Deputy clerks of circuit courts and deputy sheriffs are also entitled to workmen's compensation, the Attorney rules.

County and State highway patrolmen are "qualified deputy sheriffs" in counties where they make arrests, permitting sheriffs to collect their statutory fees even if arrested persons are carried before peace justices, Attorney General Watson ruled.

Be sure to see the Pahokee Blue Devils in action against Dania tonight at Lair Field.
